Dear Mrs Grindrod

The Prime Minister has asked me to thank you for your letter of 11 December and for sending her the thoughtful cards made by your Year 7 & 8 Geography classes.

Their letters were extremely well-written and views very well expressed. It is obvious that the pupils care deeply about this subject and have learnt a lot about it.

A careful note has been made of the students' concerns on these important matters.

May I take this opportunity to wish all in Year 7 & 8 best wishes for the Christmas holidays and the New Year.

Yours sincerely

Correspondence Officer
