We are pleased to offer separate booklets for the Preparatory and Senior Schools giving details of the Clubs and Activities for the Autumn Term.

In making, your choices remember that the following extra-curricular activities take priority: Sports Teams, School Productions and Academic Classes. Make a note of your prior commitments before making your choice of clubs or activities.

When making your choices, do look at the times at which the clubs are offered and ensure you are available. Some clubs may incur a fee because they are offered by outside organisations; however, booking details are contained in this booklet together with registration forms where necessary.

It is important to note that you are expected to make a commitment for the whole term. Not arriving for a club affects the whole group. If it is unavoidable, please do let the teacher who is running the activity know that you will not be attending, as a register will be taken at all clubs and activities.

Some clubs are bookable online using the ***booking online link:**

Sports Fixtures are separate to this booklet and can be viewed here:

Extra Music Lessons at Manor House School Preparatory and Senior Schools Autumn Term 2020

Extra instrumental lessons are taken by visiting music teachers during the school day. Fees for these lessons are dealt with by the independent visiting teachers who will bill you directly and supply you with their individual terms and conditions. The fee for a half hour lesson is approximately £20.00 however the teacher will confirm their fee when contacting you regarding lessons. Your daughter should receive thirty lessons per annum and whilst every effort will be made to re-schedule any lesson missed by your daughter, this is not always possible. Please give notice to the visiting teacher when your daughter takes part in any school trips or activities that will take her out of her scheduled lesson.

Lessons are usually organised on a rotation basis however girls in Year 10, Year 11 and girls who learn more than one instrument are given a fixed time, wherever possible. **Please note that your daughter will therefore miss a curriculum lesson and work will need to be caught up.** A full term's notice is required when stopping lessons or one term's fees will be charged in lieu of notice. Advice on the hiring and buying of instruments can be given by the visiting teachers and is advisable for the best deals. For pupils wanting piano lessons the ideal would be to have a piano at home to practise on. However, keyboards can work well in the early stages of piano studies provided they are full size, touch sensitive and have weighted keys which replicate the action of a piano. Please do not hesitate to contact the Director of Music, Mrs Jessica Harman, if you have any queries.

Tuition is offered in the following instruments:

Bass Guitar	Drum Kit	Keyboard	Theory
Brass	Flute	Piano	Trombone
Cello	French Horn	Recorder	Trumpet
Clarinet	Guitar	Saxophone	Violin
Cornet	Jazz Piano	Suzuki Violin	Voice

In some cases, waiting lists are in operation. You will be informed of the situation as soon as possible.

If you would like your daughter to take additional music lessons, please email:
