Autumn Term 2019

AN INDIVIDUAL APPROACH TO ACADEMIC SUCCESS

This booklet provides details of the Clubs and Activities from which you should choose. We have tried to improve the layout of the booklet and provide booking online* for some clubs. Please refer to the relevant section, ie, Preparatory or Senior School.

In making your choices remember that the following extra-curricular activities take priority: Sports Teams, School Productions and Academic Classes. Make a note of your prior commitments before making your choice of clubs or activities.

When making your choices, do look at the times at which the clubs are offered and ensure that you are available. Please note there are some clubs which do incur a fee because they are run by outside organisations and in these cases separate letters are sent home for booking and payment details.

It is important to note that you are expected to make a commitment for the whole term. Not arriving for a club affects the whole group. If it is unavoidable, please do let the teacher who is running the activity know that you will not be attending, as a register will be taken at all clubs and activities.

Not all clubs are bookable online, please use the activity forms at the end of this booklet.

Sports Fixtures are separate to this booklet and can be viewed here:

EXTRA MUSIC LESSONS
at
MANOR HOUSE SCHOOL
Preparatory and Senior School

Extra instrumental lessons are taken by visiting, peripatetic, music teachers during the school day. Fees for these lessons are dealt with by the independent visiting teachers who will bill you directly and supply you with their individual terms and conditions. The fee for a half hour lesson is approximately £20 however the teacher will confirm their fee when contacting you regarding lessons. Your daughter should receive thirty lessons per annum and whilst every effort will be made to re-schedule any lesson missed by your daughter, this is not always possible. Please give notice to the visiting teacher when your daughter takes part in any school trips or activities that will take her out of her scheduled lesson.

Lessons are usually organised on a rotation basis however girls in Y11, Y10 and girls who learn more than one instrument are given a fixed time, wherever possible. **Please note that your daughter will therefore miss a curriculum lesson and work will need to be caught up.** A full term's notice is required when stopping lessons or one term's fees will be charged in lieu of notice. Advice on the hiring and buying of instruments can be given by the visiting teachers and is advisable for the best deals. For pupils wanting piano lessons the ideal would be to have a piano at home to practise on. However, keyboards can work well in the early stages of piano studies provided they are full size, touch sensitive and have weighted keys which replicate the action of a piano. Please do not hesitate to contact the Director of Music, Mrs Jessica Harman, if you have any queries.

Tuition is offered in the following instruments:

Bass Guitar	Drum Kit	Keyboard	Theory
Brass	Flute	Piano	Trombone
Cello	French Horn	Recorder	Trumpet
Clarinet	Guitar	Saxophone	Violin
Cornet	Jazz Piano	Suzuki Violin	Voice

In some cases, waiting lists are in operation. You will be informed of the situation as soon as possible. If you would like your daughter to take additional music lessons, please contact:

Mrs McCartney
