# Extra Music Lessons

## Manor House School

### Senior School

### SUMMER 2022

Extra instrumental lessons are taken by visiting music teachers during the school day. Fees for these lessons are dealt with by the independent visiting teachers who will invoice you directly and supply you with their individual terms and conditions. The fee for a half hour lesson is approximately £22.00 however the teacher will confirm their fee when contacting you regarding lessons. Your daughter should receive thirty lessons per annum and whilst every effort will be made to re-schedule any lesson missed by your daughter, this is not always possible. Please give notice to the visiting teacher when your daughter takes part in any school trips or activities that will take her out of her scheduled lesson.

Lessons are usually organised on a rotation basis however girls in Y10, Y11 and girls who learn more than one instrument are given a fixed time, wherever possible. **Please note that your daughter will therefore miss a curriculum lesson and work will need to be caught up.** A full term's notice is required when stopping lessons or one term's fees will be charged in lieu of notice. Advice on the hiring and buying of instruments can be given by the visiting teachers and is advisable for the best deals. For pupils wanting piano lessons the ideal would be to have a piano at home to practise on. However, keyboards can work well in the early stages of piano studies provided they are full size, touch sensitive and have weighted keys which replicate the action of a piano. Please do not hesitate to contact the Director of Music, Mrs Jessica Harman, if you have any queries.

Tuition is offered in the following instruments:

Bass Guitar	Drum Kit	Keyboard	Trombone
Brass	Flute	Piano	Trumpet
Cello	French Horn	Recorder	Violin
Clarinet	Guitar	Saxophone	Voice
Cornet	Jazz Piano	Theory	****

In some cases, waiting lists are in operation. You will be informed of the situation as soon as possible.
