

Additional Equipment List and Regulations

In General

Being proud of how we look is an important part of the School's ethos and pupils are expected to wear their uniform with pride. Correct, clean uniform must be worn on the way to and from school and for all school functions and outings, unless students are told otherwise.

Compulsory and Optional items are listed in the 'Uniform and PE Kit List' found on our Virtual Joiner Page with some additional items contained in this document. Please note:

- All pupils in the main school are required to wear a Manor House School blazer, or approved Schoolblazer coat or jacket, to and from school.
- Pupils must go home in School uniform and not in PE kit, unless they have had a school fixture or sports club and are being collected from pick-up.
- School skirts should be knee length and may not be rolled up at the waist. PE skirts may only be worn as part of the PE uniform and not around school at other times.
- Blue tights or blue knee-high socks are worn in the winter and ankle high white socks in the summer. Trainer socks may only be worn during PE lessons or for sports matches and not as a substitute for white socks in the summer.
