WELCOME!

I believe that our Nursery School gives children the very best start to their education. Our talented, caring and enthusiastic staff nurture the children, allowing them to fully enjoy their learning. Children need to feel happy and secure to enable them to reach their full potential.

Nursery children learn important separation skills from parents, and our staff enjoy building close relationships with them. In turn, encouraging their self-confidence and language skills. We believe in working closely with parents to ensure that we meet the needs of every individual family. The children are fortunate enough to be part of a vibrant and challenging whole school community and they follow the seven Manor House School values. These are:

- 1. A Love of Learning
- 2. Academic Excellence
- 3. Unforgettable Experiences
- 4. Individual Challenge
- 5. Creative and Collaborative
- 6. Happy and Healthy
- 7. Future Leaders.

Children typically enjoy break times with Reception and Key Stage 1 classes and both age groups benefit from spending time together.

We place great importance on outdoor learning and therefore we make the most of our fabulous grounds whenever possible and offer Forest School lessons to every child. In addition, we provide specialist teaching in Dance/Drama, French, Music and PE. We have a School Prefect designated to the Early Years Department whose caring 'big sister' approach adds another dimension to the childrens' learning and sense of belonging.

I look forward to welcoming you.

Ms Melanie Luke
Director of Nursery Education

Please come straight to Reception in the Main House and speak to the Receptionist, who will take any items which need dropping off to your child or sign you in and authorise a member of staff to accompany you to another building.

At no point during the school day should any parents wander around the property or go to drop anything off to their child.

CURRICULUM

Early Years (Nursery, Kindergarten and Reception)

In the Early Years, we ensure that the beginning of each child's education is a happy and fulfilling experience. The teaching ethos in Nursery, Kindergarten and Reception is varied and practical, with children being encouraged to explore, question and enjoy their learning. Alongside normal classroom activities, children also enjoy weekly Music, PE, Swimming, Forest School, Computing, French and Performing Arts lessons from subject specialists.

Early Years teachers observe, nurture, extend and develop children in their first learning experiences. They prepare a detailed profile of each child, which forms the basis of their future learning. Staff plan a structured but flexible programme of play and work activities which encompass the Early Years Foundation Stage (EYFS) framework.

Many children have begun to read and write by the time they enter Reception Class from our Kindergarten, and this level of progress continues for children who transition into Manor House School throughout their Reception year. The children are encouraged and supported to work at a pace and level of attainment that is appropriate to their ability. Learning is made enjoyable through hands-on, innovative teaching and active learning activities.

Open Morning

There are three Open Mornings each year. In the Autumn term, this is one on a Saturday morning and all children from Reception Class upwards are expected to attend. Nursery School children are not expected to attend. In the spring and summer terms these are mid-week. You are invited to join us and tour the school.

The Friends of Manor House School (FoMHS)

FoMHS is a committee of parents and staff who organise social events and fundraising activities throughout the school year. They are a registered charity and have successfully raised funds for Manor House School and charities within our local community. The Friends can be contacted at friends@manorhouseschool.org.

Class Representatives

Each Nursery School class has at least one parent representative assigned to it at the beginning of the year. These parents organise events, circulate contact details and communicate important reminders to other parents in the class. They also join the Parent Rep Group, who meet termly with the Deputy Head to give feedback on a range of issues.

UNIFORM

Our Nursery School uniform is supplied by Schoolblazer. Please create your account and/or log in at https://www.schoolblazer.com/ to order the school uniform. Our Uniform Regulations Guide lists the optional and compulsory items of the uniform and PE kit list and these are also identified on the Schoolblazer website. If you have any sizing issues, please contact Ms Melanie Luke, mluke@manorhouseschool.org.

You may find the guides on 'How to Shop Our New School Uniform' and 'FAQ Flyer' useful or may prefer to watch the 'How to Shop' video at our website https://www.manorhouseschool.org/school-life/school-uniform/. All pricing is listed on the schoolblazer website.

Schoolblazer provide an excellent complimentary name labelling service for all school uniform. Please ensure that all your child's belongings are clearly labelled.

We also have a second-hand uniform facility run by parent volunteers. Full information on this can be found at https://www.manorhouseschool.org/school-life/school-uniform/

Trips and Visits

The Department have a programme of educational visits and activities, which generally involves a trip for each year group every term. For younger children, this is more local. All outings are linked to the learning taking place in the classroom at that time and are paid for by parents.

Recent trips have included Early Years trips to Garson's Farm for pumpkin picking. We also invite speakers into the Nursery School to speak to the children about their topics such as a veterinary nurse and an optician.

Manor House School and Nursery is committed to the safeguarding and welfare of children and young people and all staff share this responsibility. We have an extensive safer recruitment policy and procedure which ensures those unsuitable for working with children are identified at the initial stages. All staff in regulated activity with pupils are subject to the standard employment checks including an enhanced DBS check. Volunteers and visitors are also subject to identity checks.

Safeguarding training is actively promoted on an annual basis and is mandatory for all staff.

The school safeguarding policies can be found on the school website.
