Extra-curricular

We offer a wide range of extra-curricular clubs and activities to enrich pupils' learning and development. Please note that some activities, particularly those delivered by third parties or which take place off-site, may incur an additional cost.

By requesting that the School enrolls their child in a particular activity, parents are giving the school permission to make payment to the respective club provider on their behalf where applicable.

Extra instrumental lessons are provided by visiting music teachers during the school day. Fees for these lessons are arranged directly between parents and the music teacher and are subject to the music teacher's terms and conditions. Parents pay for lessons provided directly to the music teachers on production of an invoice. The school accommodates these extra lessons on a rotational basis and we provide a venue for teaching; however the School is not a party to the contractual arrangement between parents and the music teacher. For details of instruments available, including voice, instrument hire and the cost of extra

lessons, please contact the School's Director of Music or refer to our latest Clubs Booklet.

School Minibus Service

Details of pick-up and drop-off points, together with transport zone charges, are available on the Vectare website. Alternatively, please contact the transport department at: transport@effinghamschools.org

Insurance Schemes

The **Personal Accident Insurance Scheme** provides cover for all injuries involving permanent disability, not occasioned by School negligence, and therefore, ineligible under the normal School Insurance Policy. Cover commences on the first day of attendance at the School and extends to cover holiday periods for as long as the pupil remains on the School Register. All pupils are included in this Scheme at no additional cost to parents.

Pupil Absence Insurance and **Personal Effects Insurance** are optional and available to all parents with children in full-time education. Further details of these schemes are provided ahead of the start of the Academic Year and, can be requested from the Finance Department (mhfees@effinghamschools.org).

Payment of Fees and Additional Services ("Extras")

Fees are payable termly in advance. Fees together with "extras" from the previous term/s are payable on or before the first day of each term and late payment will be subject to penalty as advised from time to time in accordance with the School's contract with parents/guardians.

Monthly payment plans can be arranged with the Finance Department (mhfees@effinghamschools.org). In the unfortunate event of there being non-payment of fees and "extras" which necessitate legal intervention, the parent shall be liable to pay all costs, fees, disbursements and charges including legal fees and costs reasonably incurred by the school in the recovery of any unpaid fees and "extras" regardless of the value of the claim.

Withdrawal of Pupils

If you wish to withdraw your child from the School (other than at the normal leaving date) you shall either give a term's written notice to that effect before the first day of the last term that your child will be in attendance at the School, or you shall pay to the School a term's fees in lieu of notice, at such rate as would have been charged for the final term of provision if a term's written notice had been given. In cases where notice is not given, the appropriate sum in lieu of notice will become due and owing to the School as a debt on the first day of the term which would have been the final term of provision if a term's notice had been given. The foregoing written notice requirements are applicable to all fees and termly arranged "extras".
